

HAVE YOU PLANNED YOUR RETIREMENT?

What are your post-retirement goals?

Spend quality time
with family

Go on a
dream holiday

Do everything you missed
out on while you were busy

Follow your passion

Are you ready for the new age retirement?

Changing times call for smart, informed retirement planning.

Shorter working life, longer life expectancy

- Higher education shortens the working lifespan
- People aspire to retire earlier

Nuclear Families

- No more joint families sharing financial responsibilities
- One family taking care of 2 sets of parents

The changing dynamics of life

Lifestyle Inflation

- Inflation eats away the returns
- Rising medical expenses

Changing outlook towards retirement

- People pursue unfulfilled dreams
- People aspire to travel the world

How to retire rich?

Each year of your earnings should contribute to each year of your retirement.

At 32 plan for 62

At 40 plan for 70

The biggest mistake people make is thinking about retirement planning only when they are close to their retirement age. The secret is to get these 4 basics right.

Right time

Right asset allocation

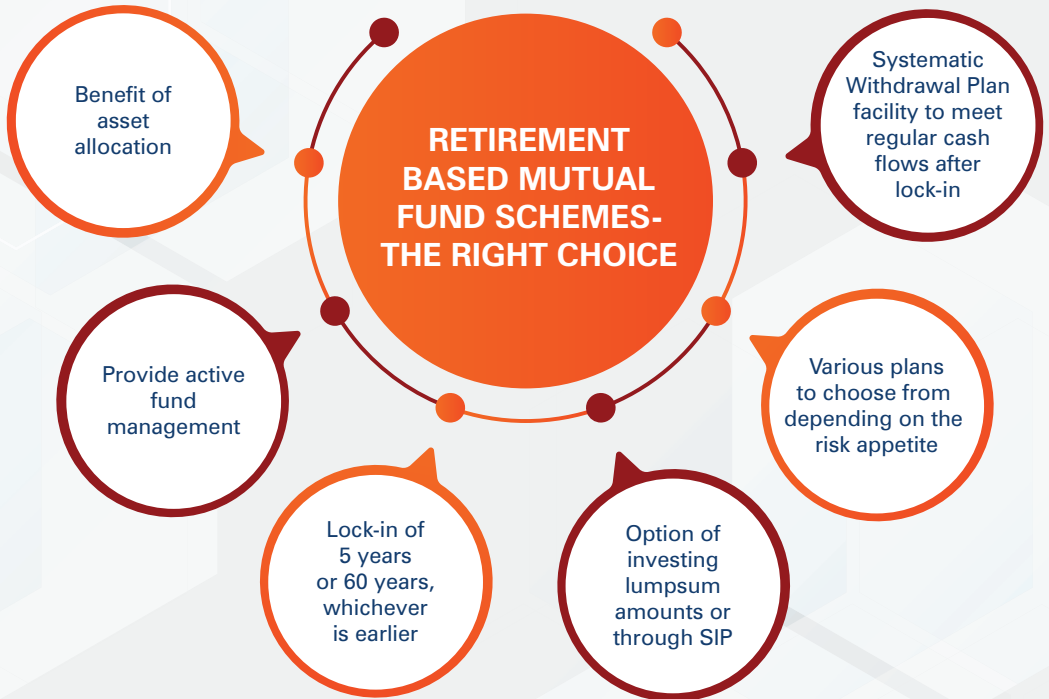

Right amount

Right partner
